## MEMORANDUM FOR IPC MEMBERS

SUBJECT: Agenda for IPC Meeting of 18 November 1971

1. Each of you has informally indicated that you, or your alternate, will be able to meet on 18 November at 1430 hours. I am therefore calling an IPC meeting for that time in room 2 E 08 of the CIA Headquarters Building. The Secretariat will be in touch with your office to ensure that arrangements are in order for parking facilities and ready access to the building.
2. In large part because of the excellent cooperation given the Secretariat, there appears to be no really urgent Committee business, a fact reflected in the attached agenda. Nevertheless, the year-long interval since the last Committee meeting makes it desirable that we get together to exchange views as to how the IPC mechanism is working, to take some thought as to whether recent or potential intelligence trends are properly reflected in the IPC List, and to provide each member with an opportunity to raise any questions that may be of concern. This kind of review seems particularly appropriate in that I am a new chairman and several of you are new members.
3. Please call me or the Secretary if you wish to add anything specific to the agenda.

  
Chairman, IPC
